ANNIVERSARY CELEBRATION

CELEBRATING 20 YEARS OF

Empowering Moms. Promoting Liberty. Raising Patriots.

... from the Founder & President

Dear Friends,

It is hard to believe it's been 20 years since I founded **Moms for America**. It was really an answer to a call from God. I felt wholly inadequate for such a task, after all, I was just a mom. But God qualifies who He calls and the power of those three words "just a mom" have grown to a powerful movement of millions of moms standing up to protect and defend our children, our freedoms, and the future of America.

When Matthew Vassar founded Vassar Women's College, he said he did so because he realized "the mothers of a country mold its citizens, determine its institutions, shape its destiny." That has been seen and evidenced in the past 20 years as moms have played a pivotal role in shaping our culture. From Supreme Court to school boards and Cottage Meetings to Congress, **Moms for America** has empowered moms to be ambassadors of truth and instruments of change promoting liberty in our homes, our communities, and through our vote.

It has been an amazing journey, and meeting and getting to know so many remarkable moms has been the highlight. Watching the world-changers these moms have become is a testament to our incredible influence as mothers in country and culture. That influence is needed now more than ever. As we continue our journey to reclaim our culture and restore our Republic, I am more hopeful than ever as I see moms rising up to take their place and fill their role in this mom-led revolution. Hope is reflected in our vision of the future and despite the darkness that surrounds us, there is hope—it is you! The future is bright and I look forward to the next 20 years!

HONORING

Jim Caviezel was acclaimed for his demanding role of *Jesus* in Mel Gibson's *Passion of the Christ*. Most recently he played Tim Ballard in *Sound of Freedom*, the blockbuster movie that exposed the ugly world of child trafficking. Jim works diligently to raise awareness reminding the world: "God's children are not for sale." Jim and his wife, Kerri, are devoted pro-life advocates. When they decided to adopt, God led them to three beautiful but challenged children from an orphanage in China, Bo, Lyn and David. They feel like God is teaching them lessons through their love.

Dr. Ben Carson is a retired neurosurgeon, academic, author, and politician who served as the Secretary of Housing and Urban Development under President Trump. Before his appointment, Dr. Carson was the director of pediatric neurosurgery at Johns Hopkins Hospitals. Carson and his wife, Candy, have three sons and many beloved grandchildren. They are also very proud of their latest program "Little Patriots" teaching valuable history lessons to young children.

Kevin Sorbo is best known for his role as "Hercules: The Legendary Journeys," but after Hollywood's wokeness, Kevin forged his own path. Already a successful actor, director, and producer he founded Sorbo Studios bringing traditional values and uplifting content back to American culture. Kevin is dedicated to creating stories that inspire and nurture the soul. He is happily married to his bride, Sam, for over 25 years. They have three children all of whom are home-schooled.

Now we're the fastest-growing movement of women & moms in America.

WHAT WE DO

We activate, empower, and mobilize moms to promote and advance freedom in their homes, communities, and through their vote.

- **We activate moms** through extensive local grassroots efforts through Moms Groups and Cottage Meetings.
- **We empower moms** by providing them with critical information and tools to protect their children from the radical ideologies and anti-American agendas permeating our culture.
- **We mobilize moms** as constitutional activists engaged in shaping the future of our country.

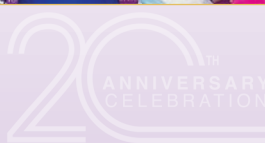

With all that has transpired in the last three years, it is more evident than ever just how important the mission of **Moms for America** is in protecting our children, reclaiming our culture, and securing the Republic.

OUR NEXT 20 YEARS:

- Expand our influence through **conferences, live and virtual events, and publications**
- Launch **national bus tour**
- Grow our network to **1,000,000 moms**
- Launch Liberty Trips to **celebrate the story of America**
