Our Constitution

was made only
for a moral and
religious people.
It is wholly inadequate
to the government
of any other.

Print this page for the Pledge of Allegiance.

You can have one of the children hold a small flag or use a larger flag. This is a great opportunity to teach the children respect and proper care and folding of the flag. See the last page for a diagram on the proper way to fold the flag. If you use an actual pole and stand for the flag you can keep it up throughout the Activity Day.

The American's Creed

by William Tyler Page

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed, a democracy in a republic, a sovereign Nation of many sovereign States; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

Written 1917, accepted by the U. S. House of Representatives on April 3, 1918

**GOOD
HOUSEKEEPING**

HOW TO PROPERLY FOLD AN American Flag

①

Fold the lower, striped section of the flag over the blue field.

②

Fold over the folded bottom edge to meet the top edge.

③

Begin a triangular fold by bringing the striped corner of the folded edge to the top edge.

④

Turn the outer point inward, parallel with the top edge, to form a second triangle.

⑤

Continue until the final folds ensure that only the Union (the blue portion with white stars) is showing and the open edges are folded in.
