

# Things You Need To Know

If you haven't registered yet, please [click here](#) to register for the weekly FUNtastic zoom lessons.

**Cottage Meetings for Kids** is a program of the *Moms for America Liberty Kids Club*.

The **Cottage Meetings for Kids** is designed to promote liberty, strengthen family unity and relationships as well as encourage family time.

Age is not a factor, togetherness is the key!

*(Kids in Pre-K through 12th grade are welcome)*

## Here's how it works and what to expect!

- ★ The whole family attends, which means moms are required to attend the entire lesson. Apart from instilling family unity, you will also help your children complete the lesson activities.
- ★ The lessons will be conducted via zoom once a week for **12 weeks on Saturdays at 11:00am EST**. Each lesson is an hour long.
- ★ Every week before the lesson, you will receive an email with the lesson overview and materials needed. Look out for those emails to ensure your family is prepared to make the most of the class time.
- ★ We encourage older kids to help younger kids throughout the lesson. This will strengthen sibling bonds and allow your older children to contribute in a meaningful way.
- ★ There will be a reward system for attendance and completed activities. To receive a star on the virtual progress chart, pictures and videos of completed activities should be sent to the instructor. **\*Please note** that the pictures and videos could be shared on Moms for America's social media and website.
- ★ If activities are completed consecutively, each participant will receive a reward every 4 weeks.

**To make these lessons FUNtastic,  
remember to be on time and prepared!**
