HOPE

an infusion of inspiration and enlightenment

MomRise is a national gathering of mothers hosted by **Moms for America®**. Founded in 2004, **Moms for America®** is a national movement of moms to reclaim our culture for truth, family, freedom and the Constitution. MomRise brings moms together from across the country (in person or via livestream) to encourage and empower moms and help them recognize the powerful influence we have in our homes, communities and through our vote.

America is facing a cultural crisis of epic proportion. We're all painfully aware of the dramatic decline in our culture, threats to our freedoms, and increasing divisions and violence tearing at the very fabric of our nation. But we can turn it around in one generation—through the mothers of America!

Theodore Roosevelt, asserted that “mother is the one supreme asset of national life; she is more important by far than the successful statesman, or business man, or artist, or scientist.”

Mothers across the nation are seeking truth, hungering for a message of hope and searching for ways to counter the Marxist takeover of our nation. **MomRise** is a three-day infusion of hope and enlightenment to inform, encourage, and empower moms with the tools, support and resources they need to be effective in the battles ahead—turning angry, hopeless and helpless into empowered, engaged, and effective!

MomRise celebrates the powerful influence of mothers, uniting across America in a spirit of sisterhood, to proclaim that truth is self-evident, family matters, and freedom is worth fighting for.

We invite you to embark on this grand adventure as mothers, grandmas, sisters, and daughters to raise the bar of decency, civility and humanity, and shape the future of our culture and our nation.
