Promises of the Constitution 14.5

How will the return to the original constitution affect our families? Families will be happier and more stable. We will be a nation of moral people who live the golden rule. Religious worship can be a core family activity. Family time, family prayer, and family religious study will increase our strength.

Liberty Begins at Home

Pillars of Liberty: Faith, Virtue, Patriotism

We are the keepers of the flame. We must do everything in our power to pass on the flame, make sure it burns bright and then it continues to be a light on the hill and a beacon of hope to the world. The Constitution is our banner. Raise it high. If Liberty is to prevail in America it will be because of you!
