## LESSON 7

# AMERICA: SHARE THE STORY!

“Tell me a fact and I will learn.

Tell me the truth and I will

believe. But tell me a story and it

will live in my heart forever.”

(Indian Proverb)

## PRESIDENT RONALD REAGAN FAMOUSLY SAID

“Freedom is never more than one generation away from extinction. We didn’t pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children’s children what it was once like in the United States where men were free.”

## RAISING A NEW GENERATION OF PATRIOTS

“Our children’s ability to maintain hope during trying times is in direct proportion to how deep and how broad the reservoir of stories is.

A heart stock full of stories provide solutions to draw from for every problem it may face. Stories keep hearts from failing.”

## STORY OF THE THREE PIGGIES!

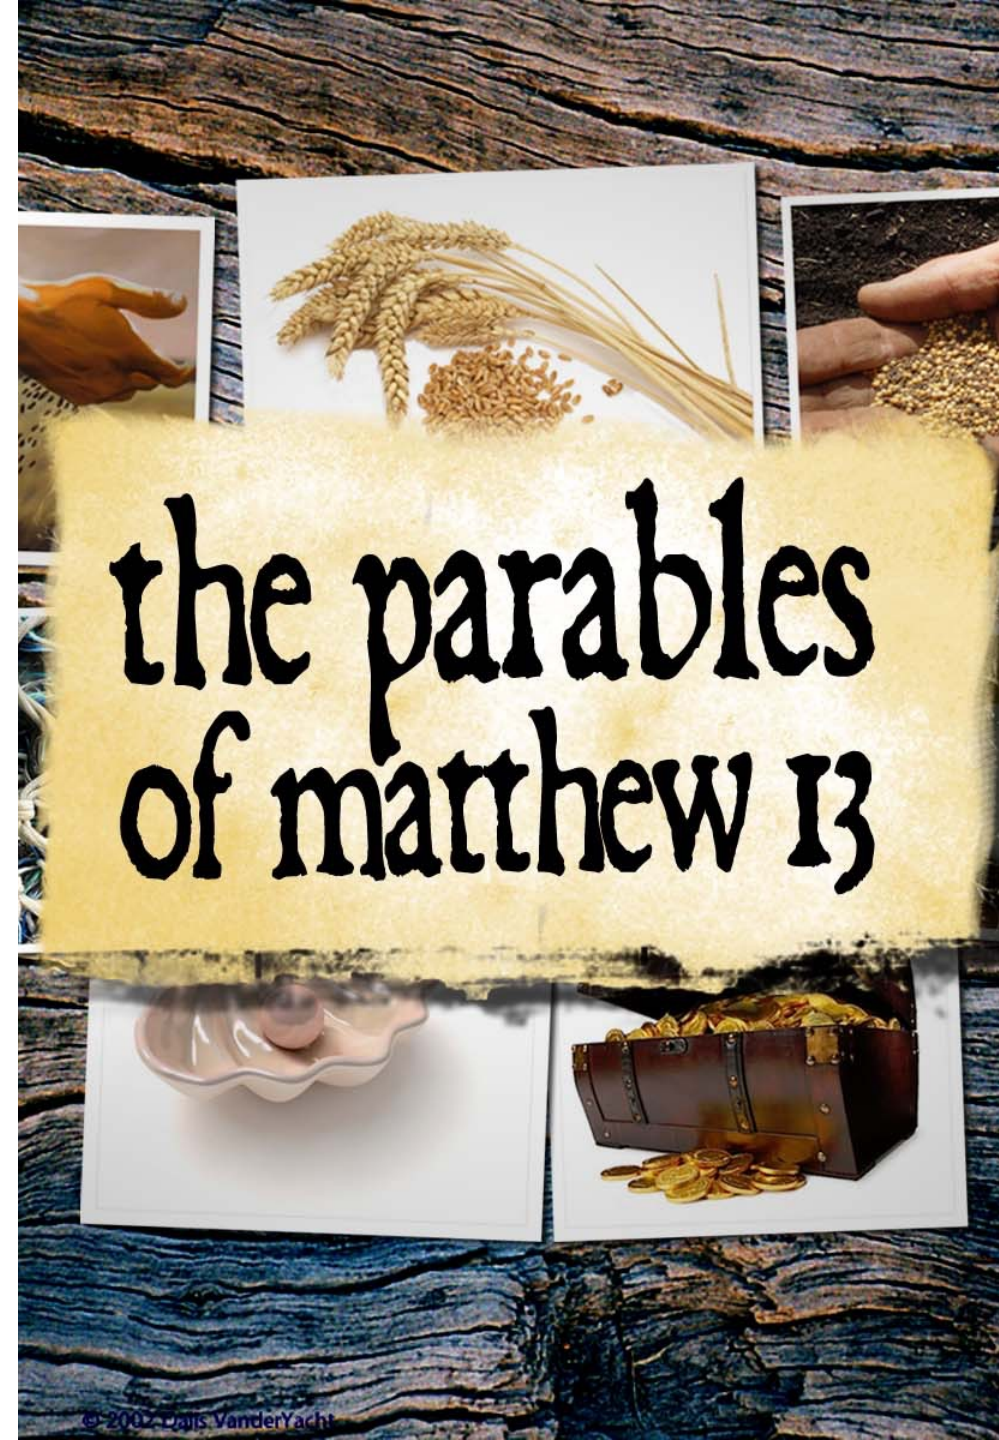

GIGO=Garbage in, garbage out

“Not all stories are created equal; not all reading times are created equal. The quality of output is determined by the quality of input.”

- Deuteronomy 4:9 - Take heed to the thyself lest thou forget the things thy eyes have seen and depart from their heart. But teach thy son and son's son.
- Deuteronomy 6:7 - Teach them diligently unto thy children, when thou sittest in the house, when thou walkest by, when thou liest down and riseth up.
- Matthew 13:34 - All these things Jesus spake unto the multitude in parables and without parables spake he not unto them

## KAYLA ROSE IQUITOS PERU CHURCH MISSION 18 MONTHS

“When the world is in chaos,  
and not able to locate its  
identity, it’s the storytellers  
that bring it back to center.  
Because storytellers are the  
keepers of the culture.”  
(Michael Meade)

**“Happier than any fairytale, more marvelous than any wonder book, the story of the united states of America begins, “Once upon a time,” and has come to the point where it depends upon the boys and girls who read it, to see whether or not they shall “live happily ever after.”**
