Empowering Moms ★ Promoting Liberty ★ Raising Patriots

*The Mothers of a country mold its citizens,
determine its institutions, shape its destiny.*

—Matthew Vassar

Moms for America® is a national, nonprofit, 501(c)(3) corporation, founded in Dayton, Ohio in 2004. **Moms for America®**, recognized as one of the fastest growing movements of women in America, is a national movement of mothers to reclaim our culture for truth, family, freedom, and the constitution

Moms for America® is rooted in the principles of liberty and virtue our nation was founded on, and focused on promoting those principles, values, and virtues in the home and family through the mothers of America.

Our threefold mission is to *Empower Moms*, *Promote Liberty*, and *Raise Patriots*. We fulfill our mission by providing educational resources, programs, and events to support moms in nurturing a love of liberty in the home, advance freedom in their communities, and protect it with their vote.

Moms for America® focuses all our efforts on promoting a love of liberty in the home, through the mothers of America, while providing a powerful voice of reason in the cultural and political issues of our day; giving voice to the silent majority of women in America who love God, respect life, revere family and cherish freedom.

Moms for America® provides valuable resources to help moms raise and nurture strong, virtuous, resilient children who will grow into a mighty generation of youth filled with the knowledge, courage, and wisdom to *raise* the standard of civility, *secure* the blessings of liberty, and *sustain* a free and prosperous America. We don't believe the greatest generation is behind us. We believe it is before us!

I'm so grateful and excited to be a part of this inspiring group. Moms for America gives me so much hope. I cannot wait to meet all of you in person and to fight for our beautiful country and it's freedom.
