

Patriot's Reading List & Resources

Compiled by Kimberly Fletcher from her book "WOMEN: America's Last Best Hope"

Patriot's Reading List

This eclectic list of literature, documents, and biographies is sure to inspire a nation of patriots and promote a foundation of liberty. This reading list is full of books and resources that will help all who read them gain a deeper understanding of our nation's history and heritage as well as the principles of liberty and values of character that have kept America free for over 200 years. While learning our history and the principles of liberty our nation was founded on is important, it is equally important to understand those forces and philosophies that are a direct threat to freedom and liberty. For this reason, I have not only included the Declaration of Independence and the Constitution of the United States in the list, but I also included the Communist Manifesto, Mein Kampf and other similar writings.

A Patriot's History of the United States by Larry Schweikart and Michael Allen

A Thomas Jefferson Education by Oliver DeMille

America: The Last Best Hope Volumes I & II by William J. Bennett

America's God and Country by William J. Federer

Little Patriots Reading List:

(Great family books to read aloud and picture books for young ones)

If every American read this list of books and shared them with their children freedom and liberty would be secured for generations to come. I love these books. The best way to learn about history is through historic fiction, exciting biographies, and moving narratives. They're all here. Dive in and ENJOY! You are in for an unforgettable experience.

Libraries of Hope www.librariesofhope.org

Libraries of Hope is a non-profit foundation that has an inspiring collection of history stories from the golden age of literature—last 1800's and early 1900's, when authors wrote to instill patriotism, inspire faith, and promote strong character. Libraries of Hope has gathered many of these stories and reproduced in their Forgotten Classics Library. Their Freedom Series is a must have for every American patriot and their family.

Yesterday's Classics www.yesterdaysclassics.com

Yesterday's Classics republishes classic books for children in high-quality paperback editions. These books, first published in the golden age of children's literature from 1880 and 1920 and long out of print, are reprinted in modern easy-to-read type for today's readers. I highly recommend these remarkable classics in historic literature.
