

YOU'RE INVITED!

Join us for our popular new program —

★ The HEALING of *America* ★

S E M I N A R S E R I E S !

This 16-week series will equip you to live out your patriotism with your family to help heal America from the recent attacks on our founding principles.

In these impactful sessions, you'll learn:

- The genius of the Founders' philosophy of successful government.
- Evidence of God's hand in the establishment of freedom in America.
- God's answer to America's greatest political, moral, and educational problems.
- How you can help turn our nation back to God.

Don't miss this life-changing experience
with moms who love America just like you!
