WHO WE ARE

momlinks

Founded in 2004, Moms for America is a national movement of moms to reclaim our culture for truth, family, freedom and the Constitution. We are truly grassroots organization with a national network of over 500,000 moms.

Our Mission

Moms for America's mission is to empower moms, raise patriots, and promote liberty for the healing of America.

Our Vision

Build a national movement of moms to promote the principles of liberty to restore the Republic, and create a culture of truth, family, and freedom in our homes and communities.

WHO WE ARE

Our Core Beliefs

1. ***We believe in God-given rights.*** We believe the rights proclaimed in the Declaration of Independence and the preamble to the US Constitution are incontrovertible. As such, we commit to defend the right to life, liberty and the pursuit of happiness (which includes private property) by preserving and protecting the Constitution of the United States and the Bill of Rights.
2. ***We value personal responsibility.*** This belief calls people up to self-governance, the value of work and the joy of self-determination and is supported in the US Constitution and natural law. As such, we endeavor to limit Government to its proper role.
3. ***We believe love is strong.*** As such, we celebrate the intrinsic dignity of each member of the human race and honor that he or she is created purposefully in the image of God.
4. ***We value freedom.*** We believe it is the foundation for a good society. As such, we actively study and apply freedom principles and promote the truth of our liberty loving heritage.
5. ***We believe freedom rights are maintained through engaged citizens who inspire good leadership.*** When leadership is flawed, we believe that freedom principles are the appropriate provocation to usher in new leaders who govern by inspiration, lead by example, and stand strong for limited government, and support educational, economic and religious freedom.
6. ***We value the family.*** We celebrate various solid educational platforms but affirm that the home is the best place to instill a love and understanding of liberty.
7. ***We believe in parental rights.*** We honor the right and responsibility of parents to rear and cultivate their children educationally, socially, vocationally and in all matters of faith.
