Watch the following video, and answer the discussion questions

Discussion Questions

- ★ *What is the story that Ben Shapiro breaks down and analyzes in this video? Have you seen evidence that this story about systemic racism, and stories like this, are influential in our society today?*
- ★ *What statistic does Ben give about black men underperforming their white peers compared to black women, pointing to non-race factors that could be affecting the situation? What is redlining? What does Ben say about the proportion of millionaires who earned their wealth through income mobility versus inherited wealth?*
- ★ *What does this teach us about economic opportunity in America? What is implicit bias? What do you think about Ben's statement that past injustices may impact the current circumstances of minorities, but says the more important question is to what degree?*
- ★ *In what way, if at all, do you see stories of systemic racism as detrimental to the message we strive to share of the greatness of America and her early heritage?*
